VOLUME 43, NO. 5

DECEMBER 2021

From the President...

We are approaching our last guild get-together of the year. What a strange time the last two years have been—this will only be our seventh meeting during that long period of time. I really hope to see many of you on December 7 at our Christmas party. As you might expect, this may be a bit different than our previous parties. See Tammie's article for more information about the festivities. One thing that hasn't changed--we will have the drawing to pick the lucky winner of our Opportunity Quilt. If you haven't yet purchased tickets, they are still available at our local quilt shops. If you are going to the meeting, please call at least one or two of your guild friends and encourage them to attend. Our election was held at the November meeting and you will have a new Executive Board and possibly some new committee chairs in 2022. I am grateful that our new guild president, Patti Aberg, was willing to step in and help our guild get back to our normal activities. By now I think we are all looking forward to "normal". Of course, she will have the help of many veteran guild members who have graciously agreed to serve once again. See you at the Party!! (Holiday attire is encouraged.)

FROM THE VICE PRESIDENT

2021 - there are a bit of words that could be used for this year!

Normal - what's that?

Gratitude - it certainly has been a year for this!

Reflection - I feel like I have a better understanding of what's important to me.

Friendship - Maybe we have developed new ones and fostered old ones.

Quilting/Piecing - more time at our beloved sewing machines.

UFO's - how many have you completed?

Meetings - We are back together and are enjoying our guild once again.

I am sure many of you have a variety of other words that have come to mind over the course of the last two years. Many of you have had all sorts of hurdles and things that have been tossed your way during this pandemic and I know it's been hard navigating it for sure. Most importantly I know you are all looking forward to the holidays just around the corner.

Please be sure to join us at our December meeting which will be held on the 7th. Doors will open at 5:45 PM and meeting to start at 6:00 PM (yes we are getting in a little earlier than usual). Our program will be different this year due to COVID. Bring your Christmas themed quilts for show-n-tell and we will have several craft things to do during the program as well as drawings for gifts (you will receive a ticket upon entrance to the meeting for the drawings). You won't want to miss our meeting. There will be a small sampling of beverages and cookies.

*****BRING A CHRISTMAS THEMED FAT QUARTER*****

Looking forward to seeing all of you there. Please send me an email or text to let me know if you will be attending. Yes, you can also call me. I would love to hear your voices.

I have enjoyed being your Vice President. These past two years have not let me enjoy hosting you as a guild. I am sure the new committee will be ready to go come January 2022.

Missing all of you lovely people,

Tammie Thomas

QUILT SHOW

ATTENTION ALL QUILTERS:

Our quilt show is fast approaching. This is one of the main money makers for our guild. We need your help to make this a successful event. We have positions that need to be filled. Our small committee can't do everything so I'm asking for your help. Please give me a call to discuss open committee positions. We depend on this income to fund workshops and lectures for you to enjoy and glean from the knowledge and skills.

Thanks,
Cyndi Pearcey
Quilt Show Chair

FAT QUARTERS

At the November meeting, there were five winners! Jeanette Roderick, Rita Limmer, Alice Burns, one anonymous winner, and one went unclaimed. It will be rolled over into the January stacks to be raffled again. The theme for the January meeting will be "Valentine's Day"! This does not limit you to red and pink, any colors will work. Each fat quarter earns a ticket, limit of 6 raffle tickets per person at this time. Good luck! And Happy Holidays!

Pat Lawson, Chair

FREE TABLE

The Free Table is very popular at our regular guild meetings. It is a great way to share your excess quilting and sewing supplies with other guild members. Please remember to check the table before you leave and take your remaining items with you. Lots of things were left on the table at the close of the November meeting. We can't leave items for the Senior Center staff to dispose of.

OPPORTUNITY QUILT IN 2022

One of our long-time members has offered guild a quilt kit for Our Home Town quilt by Janet Nesbitt of One Sister Designs to be used as our 2022 Opportunity Quilt. If you and a friend (or a group of friends) are interested in making it for our 2022 Opportunity Quilt please contact Louise Wilson (in 2021) or Patti Aberg (in 2022). The pattern was featured in One Sister Designs' book "Down This Country Road". Of course, if you have another project in mind for our Opportunity Quilt, that would be great, too.

DOLLAR BLOCK

The dollar block will not be due until January, so I will have more for sale at the December meeting. Bring any previous months block in January. We will vote on the best decorated tree then. Prize will be for the best decorated and you will keep your tree.

Jeannette Bell, Chair

PHILANTHROPIC

Happy Holidays fellow quilters!

Your Philanthropic committee has been busy, busy, busy getting all of our supplies organized and accessible. We had 3 quilts turned in at our November meeting - absolutely beautiful and they will be so appreciated! Many people are working on kits and we do sincerely thank you for your efforts.

FREE CLASSES!

Starting in January and every month thereafter in 2022, there will be a free class offered in Anderson on the first Saturday of each month using fabric and patterns provided by the Philanthropic committee. You will need to bring your sewing machine and notions needed including your favorite rotary cutter but all else will be provided. Irons, cutting boards and design wall available for your use. Reservations are required because there is space for only 5 quilters to sew. I don't want anyone to be disappointed so reserve your spot if you would like to join us. Time will be 10am to 2pm, bring your own sack lunch, a microwave is available if needed. Address for the classes is 19371 Lucille Street in Anderson. Call Amy at 365-0444 to reserve your place in class. All quilts will be given back to the Philanthropic committee for distribution in our community. You may keep the quilt instructions for your own collection. Low key class, lots of fun and laughs - come join us!
